HIGHWAYS WILL BE IMPROVED

Contracts Let for Four Stretches of Road in County.

RIVER GETS ITS SHARE

Brick Will be Used on Roscoe-Stockdale and Meadowlands-Huston Roads.

The county controller in concurrence with the county commissioners yesterday afternoon awarded contracts for the improvement of four important sections of road in the county. Two of the roads to be improved are to be built of brick. Bids for these roads were received on November 14 but it took some time to tabulate them and there were other minor matters that held up the awarding of the contracts.

The roads to be improved and the successful bidders and bids are as follows:

Monongahela pike, section No. 3—Neelan and Daly, $21,422.75.

Roscoe—Stockdale, Hastings and Piper, $2,553.44.

Meadowlands — Houston—Hallam Construction Co, $31,980.48.

Monongahela pike section No. 4—Donora Construction Co. $11,859.40.

The Roscoe-Stockdale and the Meadowlands-Houston roads are to be improved with brick. The county furnishes the brick. Contracts for the brick for these two roads have also been awarded. As stated in The Observer this week the brick for the Meadowlands road will be furnished by four different firms, Pittsburg-Buffalo company, Donley Brick company, James M. Porter Toronto block, and James M. Porte,, American Sewer Pipe Porter block. Each furnishes a fourth of the bricks at $15 per thousand, except the Donley Brick company. The Donley brick company furnishes a red clay brick at $12.50 per thousand.

He will remove to a farm in Carroll township about the first of the year. His successor is Mr. Moore of Greensburg who is already on the ground.

SHOPPERS ARE BUSY

Today an Especially Busy One With Charleroi Merchants.

Today has been a busy trade for Charleroi merchants and good business has been realized. This year's Christmas trade has probably been better than for several previous years, especially for Charleroi merchants.

Because of the steady rain yesterday many out of town people were prevented from coming to Charleroi to shop, and on this account a big rush is anticipated for tonight. The fact that Christmas falls on Sunday is much relished by the salespeople, as usually the stores are kept open until noon next day after, when Christmas falls on a week day. As the most of the stores will be closed Monday, the salespeople will have occasion to take a good rest after the holiday rush.

TROUBLE OVER BOX OF GOODS

Boys' Proclivities to Gather Firewood Results Disastrously.

A boy's proclivities to pick up boxes from in front of stores was responsible for geting his mother in a lot of trouble yesterday. A box of goods had been left in front of the Hass store on Fallowfield avenue by an expres driver yesterday when a lad came along and putting the box on his sled pulled it away, evidently thinking it empty. Contained in the box was about $36 worth of goods and apparently when the boy arrived home it was unpacked. Chief of Police Albright got on the trail and after some trouble succeeded in locating the box, but the mother of the boy refused to let him have it, without a search warrant. She was finally arrested and taken before Justice of the Peace E. E. Rice where the affair was fixed up by the woman paying the entire value of the goods and settling the costs making the bill in all about $50.

TYPHOID RESULTS IN DEATH

Miss Nelle Scott Succumbs to Ravages of Disease.

POPULAR YOUNG WOMAN

After suffering for more than four months of typhoid fever and complications arising from the disease, Miss Nelle Irene Scott, 20 years and months old, daughter of Mr. and Mrs. S. K. Scott of 541 Fallowfield avenue, died at 11:50 o'clock at the Allegheny General Hospital, Pittsburg, last night. The body was brought home on the 3 train and arrangements made for the funeral.

Miss Scott was a teacher in the Charleroi schools. Just about a week before the fall term of school began she took sick from typhoid fever. After the usual period of illness had passed she failed to rally, but complications developed, which necessitated her being taken to the hospital at Pittsburg more than a week ago. She gradually failed until all members of the family were called to her bedside Thursday night. Lingering several hours longer she passed away peacefully just before the clock tolled the midnight hour.

The grief-stricken father and mother and one sister, Muriel, survive. The deceased was a well known young lady both in church and social circles. She was a member and a faithful worker in the First Christian church of Charleroi, and a member of the choir. In the Sunday school she was an efficient helper and a short time before her illness took charge of a class of boys as teacher. As a teacher in the public schools Miss Scott was highly regarded, her love for the work and earnest endeavors to attain the highest degree of efficiency making her grade one of which to be proud. One feature which adds to the sadness of the death of this estimable young lady is that her's was the second death this year from the "Entre Nous," or "We Six" club of girls. Mrs. Frank Ingold was the first member to pass away. The other members are Mises Lomas Walton, Blanche Geho, Edna McMasters and Jennie Hormell.

Funeral arrangements have not been entirely completed as yet, but services will probably be held at the home Monday afternoon at 3 o'clock. Interment will be in Monongahela cemetery.

Your indecision is exchanged for certainty here. Gifts for men in a wide range and everything just "what he wanted." Murdock and McCarty—511 McKean avenue. 108tf

Beautiful New Structure Erected at Cost of $95,000.

CONTAINS EIGHT ROOMS

At Monongahela last Friday occurred the dedication of the Lincoln school building, which was recently finished. A picture of the building, which is one of the finest in this part of the valley, is herewith shown.

The principal address was made at the dedication by State Superintendent of Public Instruction Nathan C. Schaffer. County Superintendent L. C. Crumrine also made an address.

The building and site complete cost $95,000, and is situated on the new Monongahela plan fronting on Lincoln avenue between Eighth and Ninth streets. The architect was S. C. Keller of Monongahela. The school building contains 12 rooms, and is constructed of handsome brick, having convenient appointments and a fire proof furnace room.

Lid On At Greensburg

Westmoreland County Seat Town to be Under Stricter Regulations.

Greensburg is fast losing its reputation for being "wide open." Following its fight against the 15-round boxing contest between Mickey Gannon and Jim Perry of Pittsburg, which District Attorney W. T. Dom refused to permit, the Greesburg Ministerial Association has taken up cudgels against other sports. All the turkey raffles were closed. As a result the raffle men, who had large stocks of turkeys on hand, are offering them at a reduced rate for Christmas.

GOOD ROADS ISSUE TO BE DETERMINED

Westmoreland County Interested in Improved Highways.

VALLEY IS INTERESTED

James L. McWilliams, who is now a member of the present board of commissioners of Westmoreland county has announced that he is a candidate to succeed himself. Along with this announcement comes the assurance that the other two one of which is a Democrat and the other a Republican will also get into the race. There will be a lively scramble for this office.

This end of Wesmoreland county expects to take an active hand in the election of men to this office. The people of the Southwestern section want men in the office who will get busy and do something. The road question has been so thoroughly gone over by the people that everybody is road hungry and this time the issue will creep into politics. It will not be "are you in favor of good roads" but "what will you do to get them?" —Monessen Independent.

Christmas

Once again the Christmas season emphasizes the spirit of peace and good will that prevails throughout Christendom. This greatest of all festivals now serves to mark the milestones of progress in uniting the bonds of univeral brotherhood, instead of a brief period of celebrating the birth of the Savior of Man, as in former generations, with a lapse the balance of year to the selfishness and barbarity of human nature. Slowly and painfully at first, but very generally now, are the real teachings of Christ made manifest, and they now constitute the ethical conduct of humanity. Separating the wheat from the chaff, there may be said to be five cardinal principals of Chritianity. These are: 1. The fatherhood of God. 2. The brotherhood of man. 3. The leadership of Jesus. 4. Salvation by character. 5. Man's progress upward and onward forever. These are the living, vital principles of every creed, no matter how much obscured by the misty veil of man-made theology.

Perhaps the greatest progress attained in the teachings of the lowly Nazarene is manifested by the gospel of love which is now considered the living rule of action by the Christian churches, instead of the gospel of fear. Formerly the mission of the church seemed to be to teach people how to die; now it teaches them how to live. The object now is not to get people to heaven, but to bring heaven to people; not to keep men out of hell, but to get hell out of men. This spirit "that man to man the world o'er will brothers be," which is making such rapid progress, is inculcating the true intent of the Christian religion, and each Christmas season marks time in the upward and onward procession of the human race. For this reason Christmas may well be the merriest and most joyous season whole year.

Ready to Co-operate

Charleroi's Business Men's Association by a vigorous resolution passed at their meeting this week, has signified its willingness and intention to give its hearty co-operation to the ship canal project from Pittsburg to the great lakes. The route as generally accepted leaves the Ohio river near Beaver and passes through portions of both Pennsylvania and Ohio.

Now that Mayor W. A. Magee of Pittsburg has taken the lead in pushing the project it is expected that the movement will take definite and tangible form. Mayor Magee is an official who sees things, and in point of advance by the material and industrial interests of Pittsburg and incidentally the whole district, he leads all his predecessors. With deep water connections with the lakes Charleroi and the whole Monongahela valley will gain many fold in importance to the material world outside. The ship canal project is one of the public issues that should command the support and co-operation of every citizen in the western part of the State.

ELECTRIC SPARKS

The Fresh-Air Fiend

The windows must be open wide,
No heat must grace the room;
No flannel blankets on the bed—
On straw he'd sleep as soon.

Each day he'd walk about ten miles
And to the lake would trip;
And when 'twas zero weather
He'd take his daily dip.

But now cold air, I am afraid,
He doesn't get a lot.
Where Willie's gone he hates to say,
But I fear 'tis awful hot.

Rain of the kind endured yesterday and Santa Claus don't make an agreeable mixture.

The man who advertised for a wife insisting that she must be slender and six feet tall, evidently wants but little here below but wants that little long.

New Year Resolutions

On the very first of Jan.
A new diary he began;
But before the first of Feb.
His well-meant zeal began to ebb.

With an increase in size in every new battleship that is built it will come to pass shortly that we won't have any use for transatlantic passenger vessels. We can just use one of the battlehips of a bridge.

The man who puts up in a three by five slat bed in a two by four room of an ancient hotel while visiting and thinks he is happy, has no call to growl because his wife's sort of pan cake do not agree with his taste when he gets home.

There was a young woman named Stella
Who was struck on a bow-legged fellow
The silly young yap
Tried to sit on his lap
And fell clear through to the cellar.

Affairs are getting all stirred up over at the county seat about a telephone. If the service there is no better than it is some places, there is no reason for quarrel.

If the Fourth of July and Christmas came any more often during the year we would have to use bandages for Christmas presents.

MISS BUSH QUITS JOB

Woman Who Shot Detectixe Not Now Employed by Railroad.

According to the Washington Record Miss Iva Bush, a telegraph operator, who shot Harry F. Smith, a Pennsylvania railroad detective, a few weeks ago at Monongahela and alleged that Smith was persecuting her with his attentions while she was employed at FO Tower, near Baird station, has resigned her position as operator. Smith, who was dismissed by the railroad company after the shooting has been re-employed, it is said, and the young woman, who was exonerated by the railroad official at the time, is now in less favor.

The suits which the two brought against each other and which will probably come for trial at the February term of court, promise to develop a remarkable story.

Miss Bush created something of a sensation by shooting Smith, who is married. Her revolver was taken away from her by the Monongahela city authorities, but she was restored to her position as operator on order of Superintendent Mitchell, of the P. V. and C. division.

This condition is said by the Record to be due to an investigation by the secret service of the Pennsylvania Railroad company as to Miss Bush's career before she came to Monongahela. The latter states that she resigned because she was lonely and afraid at the telegraph tower at night, and that she proposes to remain in Monongahela.

Committeemen Receive Flags

Republican Chairman in Westmoreland Awards the Best Workers.

Republican County Chairman Chester D Sensenich of Westmoreland has made good his promise to reward all committeemen with a fine, large American flag where precincts showed a gain in the average number of votes cast for Republican nominees at the last election It develops that each committeemen in Monessen, McMahan, Wireton and Webster, received a flag and these have been received at The News office for distribution. Sixteen of them came by express this week and are ready for distribution to the owners.

The flags are 5 by 8 feet, with stars sewn into the blue field, a splendid example of "Old Glory." It is a prize worth working for and having.

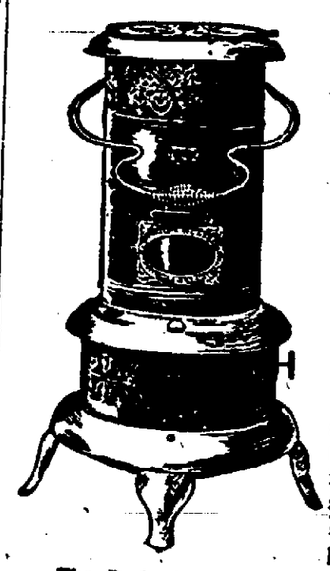
Fresh Air in Winter



In winter, it is hard to get fresh air in certain rooms. Some rooms in a house are usually colder than others, and if you open the windows it is hard again to heat the room properly.

If you keep the windows closed you don't get fresh air; if you keep them open you cannot quickly reheat the room. The

PERFECTION SMOKELESS OIL HEATER

Absolutely smokeless and odorless

solves the difficulty. You can leave the windows in a room open all day in winter, and when you close them apply a match to a Perfection Oil Heater and heat the room to any temperature you desire in a few minutes.

The Perfection Oil Heater is finished in japan or nickel. It burns for nine hours. It has a cool handle and a damper top. It has an **automatic-locking flame spreader**, which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back so that the wick can be quickly clenaed. An indicator always shows amount of oil in the font.

The filler-cap does not need to be screwed down. It is put in like a cork in a bottle, and is attached to the font by a chain.

The burner body or gallery cannot become wedged, because of a new device in construction, and consequently, it can always be easily unscrewed in an instant for rewicking. The Perfection Oil Heater is strong, durable, well made, built for service, yet light and ornamental.

AMONG THE THEATRES

The Palace—Charleroi.

What is considered the strongest feature of the year in moving picture circles was a Kalem photoplay at the Palace Theatre this week entitled, "Her Indian Mother." This is a romance of the North country. An agent for the Hudson Bay company falls in love with an Indian maiden and marries her. A daughter is born to the couple and shortly after the young man is called to the home office in Montreal where he remains indefinitely. When the daughter, who is named Rising Moon, is 16 years old her father returns. The mother is dead, but the beauty of the girl attracts her father and he takes her away and has her educated. The call of the wild, however, appeals to the half bread maiden and she escapes, returns to her mother's people and marries her childhood sweetheart.

Another strong feature of the week was "The Lesson," a photoplay by the ever popular Bigraph company. The story is inspired by the great commandment "Honor Thy Father and Thy Mother." Manager R. L. Barnhart is in correspondence with two new singers whom he hopes to engage shortly. The musical features have also been strong this week.

The Nixon—Pittsburg

Messrs. Klaw and Erlager will present their great drama written around and about the wild scenery of Arizona, entitled "The Round Up," at the Nixon Christmas week beginning with a special holiday matinee on Monday. The character of the country permits of a grand scenic production. The great battle scene in the third act is tremendously realistic

"The Round Up" is said to be a true picture of Southwestern Arizona in the days when General Crook was pursuing Conchise on the borders of Mexico The production is as large as that other famous Klaw and Erlanger production, "Ben Hur," and it comes in a special train of eight cars. The company number 134 people and 20 horses. One of the dramatic incidents shows 20 mounted Indians riding along the edge of a cliff, an effect which is made possible by adroit mechanism by which the animals are hoisted to a point in the vicinity of the gridiron above the scenes.

The character of the sheriff, "Slim Hoover" is played by Rapley Holmes. Other principals are Ogden Crane, Joseph M. Lohian, Mitchell Harris, Ernest Allen, William Conklin, Sidney P. Cushing, S. L. Richardson, W. H. Bailey, Jacques Martin, Edward F. Settle, James Asburn, "Texas" Cooper, Paula Gloy, Grace Benham and Mattie Edwards. In addition to these players there are cowboys from the cattle ranges of the southwest, cavalrymen, Indians and 20 horsemen that firgure conspicuously in the battle scene.

New Duquesne—Pittsburg.

The mirthful attraction for Christmas week at the Duquesne Theatre will be that sparkling comedy "A Woman's Way," in which Grace Geore gave gave such a delightful portrayal of the jealous wife and which proved to be one of the most pronounced successes of her stellar career. The piece was written for Miss George by Thomspon Buchanan and ranks as one of the best comedies yet given to the American footlights by a native young playwright. "A Women's Way" is a particularly attractive offering for the Harry Davis Stock players to have selected for the Christmastide season. The story deals with theartful maneaeuvers of a jeaous wife, who has reason to believe that her husband has been guilty of a foolish indiscretion. She schemes a little ruse by which to discover whether or not he is really unfaithful to her. This strategy upon her part involves herself and her spouse in a very unpleasant dilemma, and both are upon the eve of a big society scandal when the wife, by her feminine intuition and tact, manages to outwit the newspaper reporters, the drawing room gossips and old Mrs. Grundy in a most unexpected way. The piece is full of dramatic surprises from beginning to end, wih a strongly sustained interest and suspense, and the little matrimonial love romance is a regular gem in its way. Mary Hall will of course, portray Grace George's original role of the wife, while Albert Morrison will have Frank Worthing's character of the much worried husband.

The Alvin—Pittsburg

Thos. A. Wise, whom everybody in Pittsburg knows as Jolly Tom comes to the Alvin for the first time Monday, opening with a special holiday matinee in the biggest laughing hit of twenty years "A Gentleman From Missisippi" under the direction of Wm. A. Brady.

This is the play that ran so long in New York City, that when the summer came Mr. Wise and his fellow actors could obtain no rest, but were transferred to the Aerial Gardens, at the New Amsterdam Theatre, where the run was continued right through June, July and Augugst, establishing for the first time in the history of the theatre that the public will go to see a play it wants to see even in a summer time roof play house.

This comedy of the adventures of a new Senator is the maze of Washington official and social life will be acted for the first time in Pittsburg by Mr. Wise and the players who were associated with him in the four record breaking runs. The following will assist Mr. Wise in telling the tale: Wil Demng, Willard Perry, Joseph Weber, George B. Miller, Frank de Vernon Wm. H. Forestelle, Harold Hendee, DeWit Newing, M. M. Rale, Donald Mackintire, Louise de Rigney Ida Stanhope,, Beverly West, Frances McLeod, Dorothy Wilson and Luto Adams.

Buying Food by Mail

A recent development of the mail order business is the buying by mail of food. This system was inaugurated in this section last fall by McCann and Co., of Pittsburg, who sold 10-pound pails of Butterine at $2.00. The effort was so successful that they have decided to extend their plan this year.

As before, they will send you a 10 pound pail of finest Creamery Butterine at $2.00. As this is regular 23c Butterine, and cheap at that; you save 30c on each order.

Offer No. 2 includes the 10-pound pail of Butterine and 5 lbs of 25c Coffee, which they ship for $3.00, saving you 55c on the order.

The third offer takes 10 lbs of Butterine, 5 lbs of 25c Coffee and 1 lb of 60c Tea all for $3.50, or a saving of 85 cents.

A fourth offer includes the 10 lbs of Butterine and 3 lbs of 40c Tea at $3.00, or a saving of 50 c. Take your choice of Ceylon, English Breakfast, Assam, Olong, Japan or Young Hyson teas.

These values are guaranteed and are certain to please you. Send cash for a trial order to McCann and Co., Pittsburg, Pa. They pay express charges to Charleroi and vicinity.

TYPHOID RESULTS IN DEATH

Miss Nelle Scott Succumbs to Ravages of Disease.

POPULAR YOUNG WOMAN

After suffering for more than four months of typhoid fever and complications arising from the disease, Miss Nelle Irene Scott, 20 years and months old, daughter of Mr. and Mrs. S. K. Scott of 541 Fallowfield avenue, died at 11:50 o'clock at the Allegheny General Hospital, Pittsburg, last night. The body was brought home on the 3 train and arrangements made for the funeral.

Miss Scott was a teacher in the Charleroi schools. Just about a week before the fall term of school began she took sick from typhoid fever. After the usual period of illness had passed she failed to rally, but complications developed, which necessitated her being taken to the hospital at Pittsburg more than a week ago. She gradually failed until all members of the family were called to her bedside Thursday night. Lingering several hours longer she passed away peacefully just before the clock tolled the midnight hour.

The grief-stricken father and mother and one sister, Muriel, survive. The deceased was a well known young lady both in church and social circles. She was a member and a faithful worker in the First Christian church of Charleroi, and a member of the choir. In the Sunday school she was an efficient helper and a short time before her illness took charge of a class of boys as teacher. As a teacher in the public schools Miss Scott was highly regarded, her love for the work and earnest endeavors to attain the highest degree of efficiency making her grade one of which to be proud. One feature which adds to the sadness of the death of this estimable young lady is that her's was the second death this year from the "Entre Nous," or "We Six" club of girls. Mrs. Frank Ingold was the first member to pass away. The other members are Mises Lomas Walton, Blanche Gebo, Edna McMasters and Jennie Bormell.

Funeral arrangements have not been entirely completed as yet, but services will probably be held at the home Monday afternoon at 3 o'clock. Interment will be in Monongahela cemetery.

Beautiful New Structure Erected at Cost of $95,000.

CONTAINS EIGHT ROOMS

At Monongahela last Friday occurred the dedication of the Lincoln school building, which was recently finished. A picture of the building, which is one of the finest in this part of the valley, is herewith shown.

The principal address was made at the dedication by State Superintendent of Public Instruction Nathan C. Schaffer. County Superintendent L. C. Crumrine also made an address.

The building and site complete cost $95,000, and is situated on the new Monongahela plan fronting on Lincoln avenue between Eighth and Ninth streets. The architect was S. C. Keller of Monongahela. The school building contains 12 rooms, and is constructed of handsome brick, having convenient appointments and a fire proof furnace room.

Lid On At Greensburg

Westmoreland County Seat Town to be Under Stricter Regulations.

Greensburg is fast losing its reputation for being "wide open." Following its fight against the 15-round boxing contest between Mickey Gannon and Jim Perry of Pittsburg, which District Attorney W. T. Dom refused to permit, the Greesburg Ministerial Association has taken up cudgels against other sports. All the turkey raffles were closed. As a result the raffle men, who had large stocks of turkeys on hand, are offering them at a reduced rate for Christmas.

HIGHWAYS WILL BE IMPROVED

Contracts Let for Four Stretches of Road in County.

RIVER GETS ITS SHARE

Brick Will be Used on Roscoe-Stockdale and Meadowlands-Huston Roads.

The county controller in concurrence with the county commissioners yesterday afternoon awarded contracts for the improvement of four important sections of road in the county. Two of the roads to be improved are to be built of brick. Bids for these roads were received on November 14 but it took some time to tabulate them and there were other minor matters that held up the awarding of the contracts.

The roads to be improved and the successful bidders and bids are as follows:

Monongahela pike, section No. 3—Neelan and Daly, $21,422.75.

Roscoe—Stockdale, Hastings and Piper, $2,553.44

Meadowlands — Houston—Hallam Construction Co, $31,980.48.

Monongahela pike section No. 4—Donora Construction Co. $11,859.40

The Roscoe-Stockdale and the Meadowlands-Houston roads are to be improved with brick. The county furnishes the brick. Contracts for the brick for these two roads have also been awarded. As stated in The Observer this week the brick for the Meadowlands road will be furnished by four different firms, Pittsburg-Buffalo company, Donley Brick company, James M. Porter Toronto block, and James M. Porte,, American Sewer Pipe Porter block. Each furnishes a fourth of the bricks at $15 per thousand, except the Donley Brick company. The Donley brick company furnishes a red clay brick at $12.50 per thousand.

GOOD ROADS ISSUE TO BE DETERMINED

Westmoreland County Interested in Improved Highways.

VALLEY IS INTERESTED

James L. McWilliams, who is now a member of the present board of commissioners of Westmoreland county has announced that he is a candidate to succeed himself. Along with this announcement comes the assurance that the other two one of which is a Democrat and the other a Republican will also get into the race. There will be a lively scramble for this office.

This end of Wesmoreland county expects to take an active hand in the election of men to this office. The people of the Southwestern section want men in the office who will get busy and do something. The road question has been so thoroughly gone over by the people that everybody is road hungry and this time the issue will creep into politics. It will not be "are you in favor of good roads" but "what will you do to get them?" —Monessen Independent.

SHOPPERS ARE BUSY

Today an Especially Busy One With Charleroi Merchants.

Today has been a busy trade for Charleroi merchants and good business has been realized. This year's Christmas trade has probably been better than for several previous years, especially for Charleroi merchants.

Because of the steady rain yesterday many out of town people were prevented from coming to Charleroi to shop, and on this account a big rush is anticipated for tonight. The fact that Christmas falls on Sunday is much relished by the salespeople, as usually the stores are kept open until noon next day after, when Christmas falls on a week day. As the most of the stores will be closed Monday, the salespeople will have occasion to take a good rest after the holiday rush.

TROUBLE OVER BOX OF GOODS

Boys' Proclivities to Gather Firewood Results Disastrously.

A boy's proclivities to pick up boxes from in front of stores was responsible for geting his mother in a lot of trouble yesterday. A box of goods had been left in front of the Hass store on Fallowfield avenue by an expres driver yesterday when a lad came along and putting the box on his sled pulled it away, evidently thinking it empty. Contained in the box was about $36 worth of goods and apparently when the boy arrived home it was unpacked. Chief of Police Albright got on the trail and after some trouble succeeded in locating the box, but the mother of the boy refused to let him have it, without a search warrant. She was finally arrested and taken before Justice of the Peace E. E. Rice where the affair was fixed up by the woman paying the entire value of the goods and settling the costs making the bill in all about $60.

Christmas

Once again the Christmas season emphasizes the spirit of peace and good will that prevails throughout Christendom. This greatest of all festivals now serves to mark the milestones of progress in uniting the bonds of univeral brotherhood, instead of a brief period of celebrating the birth of the Savior of Man, as in former generations, with a lapse the balance of year to the selfishness and barbarity of human nature. Slowly and painfully at first, but very generally now, are the real teachings of Christ made manifest, and they now constitute the ethical conduct of humanity. Separating the wheat from the chaff, there may be said to be five cardinal principals of Christianity. These are: 1. The fatherhood of God. 2. The brotherhood of man. 3. The leadership of Jesus. 4. Salvation by character. 5 Man's progress upward and onward forever. These are the living, vital principles of every creed, no matter how much obscured by the misty veil of man-made theology.

Perhaps the greatest progress attained in the teachings of the lowly Nazarene is manifested by the gospel of love which is now, considered the living rule of action by the Christian churches, instead of the gospel of fear. Formerly the mission of the church seemed to be to teach people how to die; now it teaches them how to live. The object now is not to get people to heaven, but to bring heaven to people; not to keep men out of hell, but to get hell out of men. This spirit "that man to man the world o'er will brothers be," which is making such rapid progress, is inculcating the true intent of the Christian religion, and each Christmas season marks time in the upward and onward procession of the human race. For this reason Christmas may well be the merriest and most joyous season whole year.

Ready to Co-operate

Charleroi's Business Men's Association by a vigorous resolution passed at their meeting this week, has signified its willingness and intention to give its hearty co-operation to the ship canal project from Pittsburg to the great lakes. The route as generally accepted leaves the Ohio river near Beaver and passes through portions of both Pennsylvania and Ohio.

Now that Mayor W. A. Magee of Pittsburg has taken the lead in pushing the project it is expected that the movement will take definite and tangible form. Mayor Magee is an official who does things, and in point of advantage to the material and industrial interests of Pittsburg and incidentally the whole district, he leads all his predecessors. With deep water connections with the lakes Charleroi and the whole Monongahela valley will gain many fold in importance to the material world outside. The ship canal project is one of the public issues that should command the support and co-operation of every citizen in the western part of the State.

ELECTRIC SPARKS

The Fresh-Air Fiend

The windows must be open wide,
No heat must grace the room;
No flannel blankets on the bed—
On straw he'd sleep as soon.

Each day he'd walk about ten miles
And to the lake would trip;
And when 'twas zero weather
He'd take his daily dip.

But now cold air, I am afraid,
He doesn't get a iot.
Where Willie's gone he hates to say,
But I fear 'tis awful hot.

Rain of the kind endured yesterday and Santa Claus don't make an agreeable mixture.

The man who advertised for a wife insisting that she must be slender and six feet tall, evidently wants but little here below but wants that little long.

New Year Resolutions

On the very first of Jan.
A new diary he began;
But before the first of Feb.
His well-meant zeal began to ebb.

With an increase in size in every new battleship that is built it will come to pass shortly that we won't have any use for transatlantic passenger vessels. We can just use one of the battleships of a bridge.

The man who puts up in a three by five slat bed in a two by four room of an ancient hotel while visiting and thinks he is happy, has no call to growl because his wife's sort of pan cake do not agree with his taste when he gets home.

There was a young woman named Stella
Who was struck on a bow-legged fellow
The silly young yap
Tried to sit on his lap
And fell clear through to the cellar.

Affairs are getting all stirred up over at the county seat about a telephone. If the service there is no better than it is some places, there is no reason for quarrel.

If the Fourth of July and Christmas came any more often during the year we would have to use bandages for Christmas presents.

MISS BUSH QUITS JOB

Woman Who Shot Detectixe Not Now Employed by Railroad.

According to the Washington Record Miss Iva Bush, a telegraph operator, who shot Harry F. Smith, a Pennsylvania railroad detective, a few weeks ago at Monongahela and alleged that Smith was persecuting her with his attentions while she was employed at FO Tower, near Baird station, has resigned her position as operator. Smith, who was dismissed by the railroad company after the shooting has been re-employed, it is said, and the young woman, who was exonerated by the railroad official at the time, is now in less favor.

The suits which the two brought against each other and which will probably come for trial at the February term of court, promise to develop a remarkable story.

Miss Bush created something of a sensation by shooting Smith, who is married. Her revolver was taken away from her by the Monongahela city authorities, but she was restored to her position as operator on order of Superintendent Mitchell, of the P. V. and C. division.

This condition is said by the Record to be due to an investigation by the secret service of the Pennsylvania Railroad company as to Miss Bush's career before she came to Monongahela. The latter states that she resigned because she was lonely and afraid at the telegraph tower at night, and that she proposes to remain in Monongahela.

Committeemen Receive Flags

Republican Chairman in Westmoreland Awards the Best Workers.

Republican County Chairman Chester D Sensenich of Westmoreland has made good his promise to reward all committeemen with a fine, large American flag where precincts showed a gain in the average number of votes cast for Republican nominees at the last election It develops that each committeemen in Monessen, McMahan, Wireton and Webster, received a flag and these have been received at The News office for distribution. Sixteen of them came by express this week and are ready for distribution to the owners.

The flags are 5 by 8 feet, with stars sewn into the blue field, a splendid example of "Old Glory." It is a prize worth working for and having.

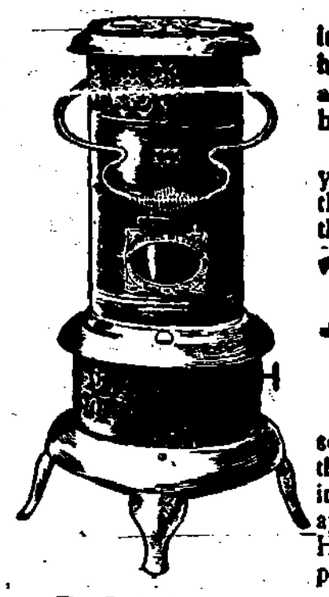
Fresh Air in Winter



In winter, it is hard to get fresh air in certain rooms. Some rooms in a house are usually colder than others, and if you open the windows it is hard again to heat the room properly.

If you keep the windows closed you don't get fresh air; if you keep them open you cannot quickly reheat the room. The

PERFECTION SMOKELESS OIL HEATER

Absolutely smokeless and odorless

solves the difficulty. You can leave the windows in a room open all day in winter, and when you close them apply a match to a Perfection Oil Heater and heat the room to any temperature you desire in a few minutes.

The Perfection Oil Heater is finished in japan or nickel. It burns for nine hours. It has a cool handle and a damper top. It has an **automatic-locking flame spreader,** which prevents the wick from being turned high enough to smoke, and is easy to remove and drop back so that the wick can be quickly cleaned. An indicator always shows amount of oil in the font.

The filler-cap does not need to be screwed down. It is put in like a cork in a bottle, and is attached to the font by a chain.

The burner body or gallery cannot become wedged, because of a new device in construction, and consequently, it can always be easily unscrewed in an instant for rewicking. The Perfection Oil Heater is strong, durable, well made, built for service, yet light and ornamental.

AMONG THE THEATRES

The Palace—Charleroi.

What is considered the strongest feature of the year in moving picture circles was a Kalem photoplay at the Palace Theatre this week entitled, "Her Indian Mother." This is a romance of the North country. An agent for the Hudson Bay company falls in love with an Indian maiden and marries her. A daughter is born to the couple and shortly after the young man is called to the home office in Montreal where he remains indefinitely. When the daughter, who is named Rising Moon, is 16 years old her father returns. The mother is dead, but the beauty of the girl attracts her father and he takes her away and has her educated. The call of the wild, however, appeals to the half breed maiden and she escapes, returns to her mother's people and marries her childhood sweetheart.

Another strong feature of the week was "The Lesson," a photoplay by the ever popular Bigraph company. The story is inspired by the great commandment "Honor Thy Father and Thy Mother." Manager R. L. Barnhart is in correspondence with two new singers whom he hopes to engage shortly. The musical features have also been strong this week.

The Nixon—Pittsburg

Messrs. Klaw and Erlager will present their great drama written around and about the wild scenery of Arizona, entitled "The Round Up," at the Nixon Christmas week beginning with a special holiday matinee on Monday. The character of the country permits of a grand scenic production. The great battle scene in the third act is tremendously realistic

"The Round Up" is said to be a true picture of Southwestern Arizona in the days when General Crook was pursuing Conchise on the borders of Mexico The production is as large as that other famous Klaw and Erlanger production, "Ben Hur," and it comes in a special train of eight cars. The company number 134 people and 20 horses. One of the dramatic incidents shows 20 mounted Indians riding along the edge of a cliff, an effect which is made possible by adroit mechanism by which the animals are hoisted to a point in the vicinity of the gridiron above the scenes.

The character of the sheriff, "Slim Hoover" is played by Rapley Holmes. Other principals are Ogden Crane, Joseph M. Lobian, Mitchell Harris, Ernest Allen, William Conklin, Sidney P. Cushing, S. L. Richardson, W. H. Bailey, Jacques Martin, Edward F. Settle, James Asburn, "Texas" Cooper, Paula Gloy, Grace Benham and Mattie Edwards. In addition to these players there are cowboys from the cattle ranges of the southwest, cavalrymen, Indians and 20 horsemen that firgure conspicuously in the battle scene.

New Duquesne—Pittsburg.

The mirthful attraction for Christmas week at the Duquesne Theatre will be that sparkling comedy "A Woman's Way," in which Grace George gave gave such a delightful portrayal of the jealous wife and which proved to be one of the most pronounced successes of her stellar career. The piece was written for Miss George by Thomspon Buchanan and ranks as one of the best comedies yet given to the American footlights by a native young playwright. "A Women's Way" is a particularly attractive offering for the Harry Davis Stock players to have selected for the Christmastide season. The story deals with theartful maneaeuvers of a jeaous wife, who has reason to believe that her husband has been guilty of a foolish indiscretion. She schemes a little ruse by which to discover whether or not he is really unfaithful to her. This strategy upon her part involves herself and her spouse in a very unpleasant dilemma, and both are upon the eve of a big society scandal when the wife, by her feminine intuition and tact, manages to outwit the newspaper reporters, the drawing room gossips and old Mrs. Grundy in a most unexpected way. The piece is full of dramatic surprises from beginning to end, wih a strongly sustained interest and suspense, and the little matrimonial love romance is a regular gem in its way. Mary Hall will of course, portray Grace George's original role of the wife, while Albert Morrison will have Frank Worthing's character of the much worried husband.

The Alvin—Pittsburg

Thos. A. Wise, whom everybody in Pittsburg knows as Jolly Tom comes to the Alvin for the first time Monday, opening with a special holiday matinee in the biggest laughing hit of twenty years "A Gentleman From Missisippi" under the direction of Wm. A. Brady.

This is the play that ran so long in New York City, that when the summer came Mr. Wise and his fellow actors could obtain no rest, but were transferred to the Aerial Gardens, at the New Amsterdam Theatre, where the run was continued right through June, July and Augugst, establishing for the first time in the history of the theatre that the public will go to see a play it wants to see even in a summer time roof play house.

This comedy of the adventures of a new Senator in the maze of Washington official and social life will be acted for the first time in Pittsburg by Mr. Wise and the players who were associated with him in the four record breaking runs. The following will assist Mr. Wise in telling the tale: Wil Demng, Willard Perry, Joseph Weber, George B. Miller, Frank de Vernon Wm. H. Forestelle, Harold Hendee, DeWit Newing, M. M. Rale, Donald Mackintire, Louise de Rigney Ida Stanhope,, Beverly West, Frances McLeod, Dorothy Wilson and Luto Adams.

A recent development of the mail order business is the buying by mail of food. This system was inaugurated in this section last fall by McCann and Co., of Pittsburg, who sold 10-pound pails of Butterine at $2.00. The effort was so successful that they have decided to extend their plan this year.

"Eleventh Hour" Suggestions for Christmas

No matter what resolutions you may have made in regard to early buying in the past, there are times when from some unavoidable cause or reason, you have been unable to purchase the cherished gift earlier. To these we wish to make a few timely suggestions.

For the Housewife

Did it ever occur to you that sweeping is one of the housekeeper's most arduous tasks? And, granted it has, did you ever stop to think how you might lessen her burden? And did you happily think of that great great labor saver---

The Bissell Carpet Sweeper

If you haven't already purchased one for her, why not now? The average broom costs fifty cents. One sweeper outwears twenty brooms---an outlay of ten dollars ($10.00). Compare this item with the price of our sweepers. Then make her happy and contented by purchasing a "Bissell's" now. Priced at $2.50, $2.75, $3.25 to $5.00.

For the Girl

A nice silver meshed purse or a leather hand bag, a scarf, gloves, belts, collars, pins for the hat or belt, brooches and the kindred small things, or a muff, fur set, waist or waist pattern. There are many things we can suggest if you will come in.

BETTER THAN SPANKING

Spanking does not cure children of bedwetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, Notre Dame, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.
